

PRIMES-USA

MIT Department of Mathematics Program for Research In Mathematics, Engineering, and Science

for high school juniors and sophomores across the United States

PRIMES-USA student Ritesh Ragavender at the PRIMES conference, MIT, May 2013

- work with MIT researchers on exciting unsolved problems in mathematics via distance mentoring for one year
- learn a lot of new cool math
- use computers to do research
- write a research paper
- give a talk at a conference at MIT
- submit your project to science competitions

Application deadline is November 30
