

18.085 Homework 1 for WED SEPT 12

From Chapter 1 on math.mit.edu/18085 write solutions to these problems. PLEASE PRINT YOUR NAME SO WE CAN CREATE A CLASS LIST! PLEASE STAPLE! You can discuss homeworks with others before writing your own—not a test and not graded in fine detail.

If you use TEX and want to contribute solutions to the (growing) website math.mit.edu/cse, please put an extra copy in the envelope outside 2-240 with name and email address. TEX solutions to any problems are welcome.
