

# My Boogers

ukulele/guitar

Steven and Ariella Johnson

(On guitar, play using capo 5: G,C,D instead of C,F,G.)

1. I like to eat my boogers in the morning, I like to eat my boogers at  
8 night. But I don't like my boogers at lunch time, 'cause at lunch time they  
15 don't taste quite right. 2. I like to put my boogers in my hair. I  
22 like to shove them right back in my nose! But most of all, I like to put them in my  
29 socks and squish them between my toes. 3. My boogers are so much fun, they're  
38 better than all of my toys! My boogers are nutr-itious, they're good for  
47 girls and for boys. 4. Some of my boogers are green, and some of my  
55 boogers are blue, but most of my boogers are brown, and if you  
62 want, I'll share them with you... and if you want, I'll share them with you.
