

# PRIMES-USA

## MIT Department of Mathematics Program for Research In Mathematics, Engineering, and Science *for high school juniors across the United States*

Student Christina Chen at the PRIMES conference at MIT in May 2011

- work with MIT researchers on exciting unsolved problems in mathematics via distance mentoring for one year
- learn a lot of new cool math
- use computers to do research
- write a research paper
- give a talk at a conference at MIT
- submit your project to science competitions

*Application deadline is November 15, 2012*
